

# MISSION: Germany

*And they continued stedfastly in the apostles' doctrine and fellowship, and in breaking of bread, and in prayers. Acts 2:42*

Greetings in the name of Jesus!

We held our 7th **Elisha Conference** for ministers throughout the German Speaking Nations in the

*Elisha Conference 2018*

end of October here in Munich. For the first time we had **Portuguese** speaking ministers –including special guests from Angola— adding to German, French and Spanish speakers, and we thank Rev. Oscar Rodrigues, missionary to Portugal for assisting with this translation! During this time not only did Rev. F. J. Ellis and several other instructors teach, but also on the last night **32 miracles** of healing took place! Many ministries, such as **Pray-**

**er, Hypen** and **Ladies** ministries took new steps, all of which point toward *revival*!!

In Munich, we have Bible Studies in progress and recently baptized a sister in Jesus' name! Our prayer focus: our city, neighbors, colleagues and our families—seeking the will of God in breakthrough. We see God bringing visitors and contacts and praise God for it all!

We were also able to minister recently in Berlin, Zurich and Geneva and appreciate these churches and their pastors!!

We are gearing up for more apostolic teaching and impartation through the **Apostolic Ministry Training Center** in 2019, where we believe God for 40 campuses! If you are interested in coming to teach in this GATS-based program, see <http://amtc.u-p-c.eu> for more information.

We are now finishing our 5th term of **Purpose Institute** in the GSN!! We are looking forward to adding campuses next year after having 21 students complete the first half of the PI program!

**We appreciate you** and your financial and prayer support!
